Dear Lyndon

Official Information Act Request – DHB KPI data request

Under section 14 of the Official Information Act, the Whanganui District Health Board (WDHB) has received a transfer of your request from the Technical Advisory Services (TAS) on 12 July 2019. You requested the following information:

All data from July 2016 (monthly or, if not readily available, quarterly) to the latest available:

- Elective surgery discharges (caseweights and actual number)*
- Planned (funded) elective surgery discharges (caseweights)*
- Elective medical discharges (caseweights and actual number)*
- Planned (funded) elective medical discharges (caseweights)*
- Acute caseweight discharges*
- Acute caseweights planned (funded)*
- Number and % of patients with a confirmed cancer diagnosis receive their first cancer treatment (or other management) within 31 days of a decision to treat
- Number and % of patients referred urgently with a high suspicion of cancer receive their first treatment (or other management) within 62 days of the referral being received by the hospital
- Number and % of accepted referrals for CT scans receiving procedures within 42 days
- Number and % of accepted referrals for MRI scans receiving procedures within 42 days
- Number and % of ED patients discharged or treated within 6 hours
- Number of presentations to ED.

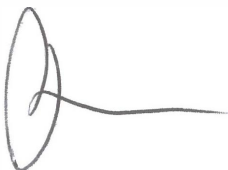

*This data should include any Inter District Flow activity delivered by the DHB for people who are domiciled in other DHBs. The purpose behind the data is to assess whether the DHB provider arm is delivering to the budgeted (funded) volumes.
