Dear Mr Andrews

Official Information Act Request – Hospital Floor Space

On 17 January 2020, under section 12 of the Official Information Act, you requested the following information from Whanganui District Health Board (WDHB):

Could I please request if Whanganui District Health Board can provide an approximate estimate of hospital floor space in square metres of all the hospitals it owns, please?

A rough estimate will be fine.

For similar request which was made to NDHB can be found at <https://fyi.org.nz/request/11880-the-estimated-hospital-floor-area#incoming-45016>

Whanganui District Health Board response:

The WDHB owns four facilities in the region. The approximate floor space at each of these facilities is as follows:

Whanganui hospital campus	34,790 m ²
Taihape Rural Health Centre (currently not occupied by WBHB)	2,343 m ²
Waimarino Health Centre – Raetihi	473 m ²
Rangitikei Health Centre – Marton	445 m ²

Should you have any further queries about the above information, please contact our OIA co-ordinator Deanne Holden at deanne.holden@wdhb.org.nz

Yours sincerely

Russell Simpson
