Official Information Act Request - OIA 13765 Adverse Reactions to COVID Vaccination

On 8 September 2021, under section 12 of the Official Information Act, you requested the following information from Whanganui District Health Board (WDHB):

"Can you please provide all information in regards to any adverse reactions or death following the first or second COVID vaccine that has come to the attention of the Whanganui district health board including hospital admissions (post vaccine) on the population of Whanganui and any surrounding districts that the Whanganui DHB are involved with in the roll out of the COVID 19 vaccine".

Whanganui District Health Boards response:

"Please provide all information in regards to any adverse reactions or death following the first or second COVID vaccine that has come to the attention of the Whanganui District Health Board including hospital admissions (post vaccine) on the population of Whanganui and any surrounding districts that the Whanganui DHB are involved with in the roll out of the COVID-19 vaccine".

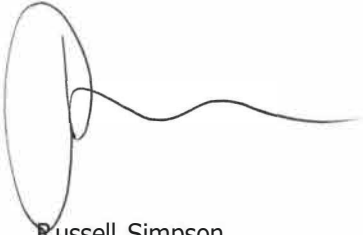

As at 9 September there have been no deaths following first or second vaccinations for COVID in the Whanganui DHB region that has come to the attention of the Whanganui DHB.

Please see the table below for adverse events following first or second vaccinations for COVID in the Whanganui DHB region

Count of Adverse Event	Column Labels
