

# WHANGANUI DISTRICT HEALTH QUALITY AWARDS SPONSORSHIP OPPORTUNITY

HE HĀPORI ORA - THRIVING COMMUNITIES

*We invite you to sponsor our regional health quality awards which celebrate outstanding examples of innovation and excellence in the Whanganui health sector.*

## Why sponsor?

- An opportunity to engage with providers across the DHB rohe/region of over 69,000 people across 9,742 square kilometres.
- A chance to show support of all our health providers who go the extra mile leading innovative initiatives and changing lives.

## For your business:

- Communications exposure via our WDHB website, social media channels, advertising and award night booklets.
- Networking across the rohe.
- Respect and loyalty as a company with credibility and trust in our wider community.
- Support within our rohe.

*In 2019, we had over 50 entries and the awards night was attended by over 400 people. With your help, we can make this an even bigger showcase of the amazing mahi happening in our region.*

The 2019 supreme award winner was Tapestry of Truth, a 12-week intensive intervention programme run by Te Oranganui and designed to engage young people struggling to fit in. In its first year, it was proven a vital lifeline to young people who have found school and other services have not worked for them. The programme teaches them self-determination, guidance and making use of resources and learning skills such as carpentry, budgeting and launching a clothing brand.

Rangatahi practitioners Peter London and Lee Ashford collected the award alongside 12-year-old Dallas Matthews who has benefitted from the programme.

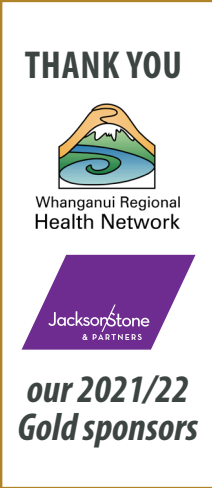

*Then join us as we share a night of celebration with the entrants and prize-winners.*
