Dear Antony

**Official Information Act Request – OIA 11865 Estimated Hospital Floor Area**

02 July 2020, under section 12 of the Official Information Act, you requested the following information from Whanganui District Health Board (WDHB):

Could I please request if Whanganui District Health Board can provide an approximate estimate of hospital floor space in square metres of all the hospitals it owns? A rough estimate will be fine.

**Whanganui District Health Boards response:**

**Can the Whanganui District Health Board provide an approximate estimate of hospital floor space in square metres of all the hospitals it owns? A rough estimate will be fine.**

WDHB has approximately 17,440M<sup>2</sup> of hospital floor space. We have included buildings that provide specialised and ambulatory care and mental health inpatient services. We have excluded ancillary and support services buildings.

We have also not included rural clinics and buildings not in use.

Should you have any further queries about the above information, please contact our OIA co-ordinator Anne Phoenix at [anne.phoenix@wdhb.org.nz](mailto:anne.phoenix@wdhb.org.nz)

Yours sincerely

Russell Simpson  
**Chief Executive**
